

How to Create a 3D Experience Account

This link will direct you to a page that will prompt you to create a 3D Experience Account. [Create 3D Experience Account](#)

The image shows a registration form for 3DEXPERIENCE. On the left, there is a circular logo with '3D' on the left, 'i' on the right, and 'V+R' at the bottom, with a play button icon in the center. Below the logo is the text '3DEXPERIENCE®'. The form itself is on the right and contains the following fields and options:

- Email *
- Username *
- First name *
- Last name *
- Password * (with a toggle for visibility)
- Confirm your password * (with a toggle for visibility)
- Country * (dropdown menu with 'Please select a country')
- I agree to the terms of the [Privacy Policy](#) *
- I agree to receive newsletters by email from Dassault Systemes and its partners
- [Register](#) button
- [Log in](#) link
- English ▾ (language selector)
- [Need help?](#) link

Fill in the required information and click register. Shortly after clicking register you will receive an email from Dassault Systemes (noreply@3dexperience.3ds.com) with a link you need to click to validate your account.

3DEXPERIENCE ID account - Email verification

Dear [redacted],

Thank you for registering your 3DEXPERIENCE ID.

Your account has been successfully created.

Your email address needs to be verified to validate your account and let you access some Dassault Systèmes applications with restricted access.

- To validate your account, please click on the link below:

<https://r1132100115053-eu1.iam.3dexperience.3ds.com/account/validate/?hashkey=34deeb0804da3d312ab3e78240037884>

Note: This link will automatically expire as soon as you used it, or else it will automatically expire after 1 week. After expiration, you can go to your account profile and click on the "Send verification email" button to receive a new link.

If you need help, you can visit the [3DEXPERIENCE platform on cloud support page](#).

Best regards,
Dassault Systèmes

Click the validate link and now your account is ready to be used.

Please contact support@cadmicro.com if you have any questions or concerns.
