

WHAT'S NEW IN SOLIDWORKS® 2025—PDM

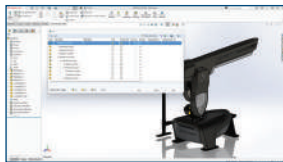

1 Improved Bill of Materials Visualization

- Easily understand the order of the assembly structure shown in the bill of materials tab which follows the same order as the SOLIDWORKS FeatureManager®.

Benefits

Understand the bill of materials easily and intuitively.

2 Increased Flexibility for Caching Data

- Check out files directly from the Get Latest dialog.
- Take advantage of new options for caching revisions and get the latest revision or a specified revision.

Benefits

Enjoy increased usability and speed with reduced multiple operations.

3 Better User Experience

- Easily access SOLIDWORKS PDM functions from a new SOLIDWORKS PDM tab in the SOLIDWORKS CommandManager toolbar.

Benefits

Bypass the Task Pane for accessing commands with an increased graphics area.

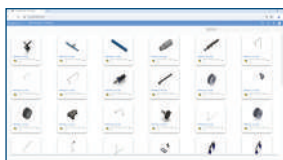

4 Increased User Tracking

- Gain a more complete audit trail of user activities now that the system tracks when users log in and log out.

Benefits

Enjoy improved security and audit trail information.

5 Improved Web 2.0 Performance

- Browse faster in folders with thousands of files and leverage the improved file preview performance.

Benefits

Streamline work with the web client, offering more flexibility.

Our **3DEXPERIENCE®** platform powers our brand applications, serving 12 industries, and provides a rich portfolio of industry solution experiences.

Dassault Systèmes is a catalyst for human progress. We provide business and people with collaborative virtual environments to imagine sustainable innovations. By creating virtual twin experiences of the real world with our **3DEXPERIENCE** platform and applications, our customers can redefine the creation, production and life-cycle-management processes of their offer and thus have a meaningful impact to make the world more sustainable. The beauty of the Experience Economy is that it is a human-centered economy for the benefit of all – consumers, patients and citizens. Dassault Systèmes brings value to more than 300,000 customers of all sizes, in all industries, in more than 150 countries. For more information, visit www.3ds.com.
